The Tulare County Candidate's Guide is intended to provide general information about the nomination and election of candidates, and does not have the force and effect of law, regulation, or rule. It is distributed with the understanding that the Tulare County Registrar of Voters - Elections Division is not to be a substitute for legal counsel for the individual, organization or candidate using it. In case of a conflict, the law, regulation, or rule will apply.

Please take note that our business hours vary from many other offices.

TOP TWO ELECTION INFORMATION – PRIMARY ELECTION

Top Two Candidates Open Primary Act and Voter-Nominated Offices

On June 8, 2010, California voters approved Proposition 14, which created a “top two” or “open primary” election system.

Except for the office of U.S. President and county central committee offices, offices that used to be known as “partisan offices” (e.g., state constitutional offices, U.S. Congress, and state legislative offices) are now known as “voter-nominated” offices. What used to be known as a “political party affiliation” is now known as a “political party preference.”

Prior to the Top Two Candidates Open Primary Act, all candidates running in a primary election, with the same political party affiliation, were placed on a partisan ballot to be voted on by voters of the same political party. The top vote-getter from each qualified political party would move on to the general election. At the general election, candidates could gain access to the ballot using the independent nomination process and others could run as write-in candidates.

Under the Top Two Candidates Open Primary Act, all candidates running in a primary election, regardless of their party preference, will appear on a single primary election ballot and voters can vote for any candidate. The top two overall vote-getters – not the top vote-getter from each qualified political party – will move on to the general election. Additionally, candidates are no longer allowed to run as “independents” or “write-ins” at the general election.

Prior to the Top Two Candidates Open Primary Act, a candidate for a partisan office would have the political party they were registered with listed next to or below their name on the primary and general election ballots. A candidate who won at the primary election was then considered to be the official nominee of their political party.

Now, under the Top Two Candidates Open Primary Act, candidates for voter-nominated office can choose whether or not to list their party preference on the primary and general election ballots. Political parties can no longer formally nominate candidates for voter-nominated offices, so a candidate who finishes in the top two at the primary election and advances to the general election is not the official nominee of any party for the office.

VOTING SYSTEM IN TULARE COUNTY

Tulare County uses Sequoia Voting System supported by Dominion Voting. Voters will continue to vote on paper ballots, and then feed their paper ballot into an optical scan vote tabulation unit at their polling place. Pursuant to the federal Help America Vote Act ("HAVA"), at their choice, voters may instead vote on a ballot counting unit which utilizes touchscreen technology called the Edge or Direct Record Electronic voting machine or "DRE". There will be at least one touchscreen unit at each polling place.

Each touchscreen is capable of the following:

- Displaying ballot text in either English or Spanish
- Displaying ballot text in an enlarged font for easier reading
- Utilizing a handheld key pad and an audio headset to vote (specifically designed for blind, visually-impaired or illiterate voters)
- Eliminating the possibility of a voter "over voting" a race. In other words, voting for more candidates than they are allowed to vote on, which cancels their votes for that race;
- Reducing the likelihood of voters inadvertently missing the back side of a ballot (by forgetting to turn over their paper ballot and not voting for races on the back side) by requiring voters to scroll through all races before casting their ballot
- Allowing voters to review their choices before casting their ballot by first displaying a summary on the screen and then printing a summary of who they voted for (called a Voter Verifiable Paper Audit Trail).

If the employee does not resign, the employment shall automatically terminate upon his or her being sworn into office. ¹ (California GC 53227 & 53227.2)

¹ This does not apply to any volunteer firefighter who does not receive a salary, or where the salary the volunteer firefighter would otherwise receive is applied directly by the local agency toward the purchase of disability, life, health, or similar insurance coverage.

QUALIFICATIONS TO RUN FOR OFFICE

GENERAL QUALIFICATIONS

The California Elections Code requires all candidates for public office in California to be registered voters and otherwise qualified to vote for the office they are seeking at the time their nomination papers are issued. The constitutional requirements to be a registered voter are that a person must be a United States citizen, at least 18 years of age, not in prison or on parole for the conviction of a felony, and not determined by a court of law to be mentally incompetent.

ALL PARTISAN OFFICES

No declaration of candidacy for a partisan office or for membership on a county central committee shall be filed, by a candidate unless: (1) at the time of presentation of the declaration and continuously for not less than three months immediately prior to that time, or for as long as he has been eligible to register to vote in the state, the candidate is shown by his affidavit of registration to be affiliated with the political party of the nomination of which he seeks; and (2) the candidate has not been registered as affiliated with a qualified political party other than that political party of the nomination of which he seeks, within 12 months immediately prior to the filing of the declaration. Elections Code 8001.

Note: California Constitution, Art. 2, sect. 6 (a) provides that all judicial, school, county and city offices shall be nonpartisan. A nonpartisan office is one for which no political party may nominate a candidate.

CANDIDACY FOR MORE THAN ONE OFFICE PROHIBITED

Partisan Offices

No person may file nomination papers for a party nomination and an independent nomination for the same office, or for more than one office at the same election. A candidate whose name has been on the ballot as a candidate of a party at the direct primary and who has been defeated for that party nomination is ineligible for nomination as an independent candidate. He or she is also ineligible to be a candidate named by a party central committee to fill a vacancy on the ballot for a general election. Elections Code 8003.

Exception: A person may be a candidate for a party county central committee position and for another public office at the same election. (Central Committee member has been determined by the Secretary of State's office to NOT be an "office" within the meaning of Section 8003).

Non-Partisan Offices

A public officer who is appointed or elected to another public office and enters upon the duties of the second office, automatically vacates the first office **if the two are incompatible**.

Offices are incompatible, in the absence of statutes suggesting a contrary result, if there is any significant clash of duties between the offices, if the dual office holding would be improper for reasons of public policy, or if either officer exercises a supervisory, or removal power over the other.

58 Ops.Cal.Atty.Gen. 323, 324-325 (1975).

The County Elections Office is not allowed to give legal advice or interpret which offices are "incompatible". If you intend to file nomination papers for a second elected office, you should

consult your own legal counsel or contact the Attorney General's office at (916) 324-5437 or visit their website, www.caag.state.ca.us. The State of California Attorney General's Office has issued many opinions of particular compatibility questions. Here are six examples of incompatible offices:

- The offices of city councilman and school district board member where the city and the school district have territory in common;
- Fire chief of a county fire protection district and member of the board of supervisors of the same county;
- High school district trustee and trustee of an elementary school district which is completely within the geographic boundaries of the high school district;
- Water district director and a city council member;
- Water district director and a school district trustee having territory in common;
- Deputy Sheriff and County Supervisor.

PROOF OF QUALIFICATIONS REQUIRED FOR SOME OFFICES

For offices specified in the following pages, no person shall be considered a legally qualified candidate unless that person has filed all appropriate papers accompanied by documentation, including, but not necessarily limited to, **certificates, declarations under penalty of perjury, diplomas, or official correspondence**, sufficient to establish, in the determination of the official with whom the declaration or statement is filed, that the person meets each qualification established for service in that office. Elections Code 13.5(a)(1).

RESTRICTIONS ON GOVERNMENT EMPLOYEES RUNNING FOR OFFICE

An employee of a local agency (a city, county, district, municipal or public corporation, political subdivision, or other public agency of the state) may not be sworn into office as an elected or appointed member of the legislative body (board of supervisors, city council, governing body of a district, etc.) of that local agency unless he or she resign as an employee. If the employee does not resign, the employment shall automatically terminate upon his or her being sworn into office.

This does not apply to any volunteer firefighter who does not receive a salary. (Government Code 53227 & 53227.2)

FAMILY MEMBER OF CANDIDATE SERVING AS A POLLWORKER

Neither a candidate nor members of a candidate's immediate family are eligible to serve as poll worker/precinct officers at any polling place which has ballots on which the candidate's name appears.

FILING FEES

The Election Official cannot issue the Nomination Petition and/or Declaration of Candidacy until the filing fees are paid, or signatures in lieu of filing fees are submitted. Elections Code 8105 & 8106(b)(3).

Those fees which must be deposited with the Secretary of State will be accepted by the County Elections Official when the papers are issued for later transmittal to the Secretary of State. Elections Code 8105.

WHEN FILING FEE IS DUE

The candidate must pay the filing fee at the time of obtaining the Nomination Forms (either the Nomination Petitions or the Declaration of Candidacy).

HOW FILING FEES CAN BE PAID

Filing fees may be paid by direct payment (check or money order only) or by obtaining voter "signatures in lieu of filing fee" during the specified Petition in Lieu circulation period. Only forms issued by the Elections Official may be used. A combination of signatures-in-lieu and direct payment may also be used.

Checks are acceptable and should be made payable to Tulare County Registrar of Voters. Cash cannot be accepted for the payment of a filing fee. Government Code 84300(b).

PROVISIONAL CREDIT IS GIVEN FOR SIGNATURES WHEN FILING FEE IS DUE

Signatures in lieu may be filed before or at the time the filing fee is due. Candidates must file all signatures in lieu not later than 15 days prior to the close of the Nomination Period. "Provisional credit" is initially given for all the signatures filed. Actual credit will be determined after signatures are checked by Election Officials at which point supplemental filing fee or supplemental signatures may be due to make up the difference.

SUPPLEMENTAL FILING FEE DUE AFTER SIGNATURES ARE VERIFIED

Within 10 days of receipt, the Elections Official must verify the signatures and notify the candidate of the difference between the number of sufficient (good) signatures and the number of signatures for which they were given provisional credit. The candidate must pay the monetary difference in either direct payment or by filing additional signatures in lieu before the end of the nomination period. Failure to pay the remaining fee or file sufficient supplemental signatures in lieu will result in the candidate being disqualified.

All filing fees received by the Secretary of State and County Elections Officials are nonrefundable.

Elections Code 8020, 8101, 8105 & 8106(b)(3).

Note: Judicial offices will not be on the Primary Election ballot if the incumbent Judge is the only person to file nomination papers, unless a write-in petition is filed by March 17, 2014. If the office is not on the Primary Election ballot, August 18, 2014 is the last day a write-in petition can be filed to place the office on the General Election ballot. Elections Code 8203

When two or more judges of any court are to be elected for the same term, each office shall be designated by a distinguishing number. After the election, the number has no further significance. Elections Code 8200

PETITION IN LIEU OF FILING FEE

A candidate may submit a petition containing signatures of registered voters in lieu of paying the filing fee in order to run for office. The signatures submitted may cover all, or a prorated portion, of the filing fee.

ISSUANCE OF MASTER FORM - DUTIES OF ELECTION OFFICIAL

The Election Official is required to provide Petition in Lieu of Filing Fee forms to the candidate. Rather than providing the candidate with a number of forms sufficient to gather the requisite number of signatures, the Election Official may provide a master form which may be duplicated by the candidate at the candidate's expense. The candidate may also request a master form. Elections Code section 8106 (b).

QUALIFICATIONS OF PETITION IN LIEU SIGNERS

Each signer of a Petition in Lieu of Filing Fee must be a registered voter in the county and district or political subdivision in which the candidate is voted on. Elections Code 8068 & 8106(b)(1).

For partisan offices, Petition in Lieu signers must also be registered with the same party as the candidate for whom the petition is being circulated. The exception is that a no party preference (a.k.a. Non-Partisan) registrant may sign the petition of any partisan candidate whose party, at the time of submission of the petitions for verification, has notified the Secretary of State that it has adopted a rule allowing such registrants to vote their party's ballot at the ensuing primary election. Elections Code 8068, 8106(a)(6) & 2151.

No signer shall have his or her name signed to any other Petition in Lieu of Filing Fee for any other candidate for the same office. If there are several places to be filled in the same office, the signer may sign as many Petition in Lieu of Filing Fees as there are places to be filled. Elections Code 8069 & 8106(b)(2).

Each signer of a Petition in Lieu of Filing Fee must do the following in the presence of the circulator:

- (1) sign his or her signature,
- (2) print his or her name, residence address, city and state.

QUALIFICATIONS AND RESPONSIBILITIES OF PETITION CIRCULATORS

Circulators of In Lieu Petitions must be registered voters of the district in which the candidate seeks election.

Circulator's Affidavit:

- (1) The circulator shall read the circulator's affidavit prior to obtaining signatures.
- (2) After obtaining signatures on a Petition in Lieu of Filing Fee, the circulator must complete the circulator's affidavit.
- (3) Each petition section must contain an original affidavit executed by the circulator.

PETITION IN LIEU SIGNATURES COUNTING TOWARD NOMINATION SIGNATURES

If the Petition in Lieu of Filing Fee contains the requisite number of valid signatures required for the Nomination Petition, the candidate is not required to circulate and file a Nomination Petition, but may request the County Elections Official to accept the Petition in Lieu of Filing Fee instead of filing Nomination Signatures.

If the Petition in Lieu of Filing Fee does not contain the requisite number of valid signatures required for the Nomination Petition, the candidate may still circulate and file a Nomination Petition to be signed by qualified registered voters during the nomination period. The candidate may request the County Elections Official to apply the number of valid signatures on the Petition in Lieu of Filing Fee toward, and combined with, the valid number of signatures on the Nomination Petition to satisfy the signature requirement for the office. Elections Code 8106.

FILING OF SIGNATURE IN LIEU OF FILING FEE PETITION

The Petition in Lieu of Filing Fee must be submitted to the Elections Official of the county in which the signers reside and are voters. Elections Code 8063 & 8106(b)(4).

The Elections Official will issue a receipt for all petitions filed and the candidate will be notified of the number of signatures which are determined to be good or "sufficient".

Though the Elections Official for each county will keep a log of the number of sufficient signatures for each candidate, **the candidates themselves are responsible for making sure they are credited for the correct amount of signatures** especially if petitions were filed in more than one county.

REGISTERING VOTERS WHILE CIRCULATING PETITION

Candidates may register voters while circulating a Petition in Lieu of Filing Fee. Voter registration cards may be obtained from any County Elections Official. After the voter completes the registration card, the candidate or circulator may collect and turn the card in to the Elections Official. However when turning in registration cards for voters who sign a petition, the candidate should let the Elections Official know that the cards go with the petition. Any circulator or person who takes back a completed registration card form to turn in for a voter must fill out the receipt stub at the bottom of the form and give it to the voter.

ALL CANDIDATES MUST FILE A DECLARATION OF CANDIDACY, DESPITE FULFILLING NOMINATION NEEDS WITH PETITION IN LIEU

The Nomination Petition is only one of the many documents required for candidacy. Candidates are not to assume that because a sufficient Petition in Lieu of Filing Fee was filed, which also fulfilled the nomination petition signature requirement, that all requirements for candidacy have been completed. Candidates should check with the responsible Elections Official to determine whether all election requirements have been fulfilled.

DECLARATION OF INTENT

JUDICIAL OFFICES

Candidates for judicial office (Superior Court) are required to file a Declaration of Intention to become a candidate prior to filing their nomination documents. Candidates must submit signatures in lieu of the filing fee or pay the nonrefundable filing fee at the time the Declaration of Intention is filed. Elections Code 8023, 8104(b) & 8105.

Judicial candidates shall file with the County Elections Official a Declaration of Intention to become a candidate for that office and shall state for which numerically designated office he or she is filing, if any. Judicial candidates must also file nomination papers in the same manner and times as other candidates for office. If a candidate neglects to file the Declaration of Intention within the specified dates, the County Elections Official cannot accept any Declaration of Candidacy or Nomination Petition for filing, unless the provisions of Section 8204 applies. Election Code 8023 & 8200 & 8201.

EXTENSION IF INCUMBENT FAILS TO FILE DECLARATION OF INTENT

If the incumbent fails to file a Declaration of Intention by the end of that period, persons other than the incumbent may file Declarations of Intention no later than the first day for filing nomination papers. The extension does not apply to offices where the incumbent could not file because of term limits. Elections Code 8023(b).

NOMINATION PETITION

The Nomination Petitions are not necessary if sufficient nomination signatures were already submitted on a Petition in Lieu of Filing Fee Petition. If the filed Petition in Lieu documents do not contain the requisite number of valid signatures to be counted toward the nomination signature requirement, the candidate shall file a nomination petition in order to obtain the requisite number of valid signatures required to be filed. Elections Code 8061.

It is suggested that prospective candidates obtain the necessary forms from the Elections Official as soon as possible on or after the first day to circulate and file, and that the papers be filed as soon as completed so that any irregularities may be corrected before the last filing date. If the papers are found "Not Sufficient", no additions or corrections can be made after 5:00 p.m. on the last day to file.

QUALIFICATIONS OF NOMINATION PAPER SIGNERS

Each signer must be currently registered in the candidate's district (and party if a partisan office) and at the correct address. Elections Code 8068 & 8081.

Note for Partisan Offices: Voters who have declined to state an affiliation to a political party (Non-Partisan or Decline to State voters) may NOT sign nomination petitions for partisan office candidates despite the fact that they may be able to vote for them and sign their petition in lieu forms in the case where the party formally authorizes No Party Preference voters to vote the ballot of that political party. Elections Code 2151 & SOS CCROV Memo #01067 dated 4-13-01.

Each signer must sign their own name and residence address (post office boxes and ditto marks are not accepted). Elections Code 100. A person who is unable to personally affix the required information may request another person to print the voter's name and place of residence in the appropriate spaces of the petition, but the voter shall personally affix his or her mark or signature which shall be witnessed by one person by subscribing his or her name thereon. Elections Code 100.5.

Each signer of a nomination paper can sign only as many nomination papers as there are places to be filled for that office. Elections Code 8069.

No more signatures shall be secured for any candidate than the maximum nor less than the minimum required for the office. See "Filing Fees & Signatures Required" to see the number of nomination signatures required for each office. Elections Code 8062.

CIRCULATORS OF NOMINATION PAPERS

1. Candidates may circulate signatures him/herself or may appoint circulators to gather signatures on Nomination Papers. Elections Code 106 & 8065.
2. The circulator shall be a voter in the district or political subdivision in which the candidate is to be voted on and shall serve only in that district or political subdivision. Elections Code 8066.
3. The circulator may serve only within the county in which he/she resides. Elections Code 8066.
4. Only one person may circulate a petition section. Whoever circulates the petition must complete the affidavit of circulator certifying all signatures were made in their presence. Elections Code 104.

Confidentiality

Once filed, nomination petitions can be viewed, but not photocopied. Elections Code 17100(c)

DECLARATION OF CANDIDACY

(for Primary & General Elections)

A sufficient Declaration of Candidacy must be filed before 5:00 p.m. on the close of the Nomination Period for the candidate's name to appear on the ballot. Elections Code 13 & 8020.

Candidate Must Sign the Declaration of Candidacy

The Candidate must sign the Declaration of Candidacy in two places:

- The Affidavit of Nominee
- The Oath of Allegiance. The Oath must be signed before a Deputy Elections Official, a notary, the city clerk (for city offices), the district secretary (in cases of an office in a special district such as memorial or irrigation districts), or the superintendent of schools (in cases of candidates for school board).

Candidate Must Print His or Her Name as it is to Appear on Ballot

No title or degree can be used on the same line as the candidate's name. Elections Code 13106.

The candidate's name will be printed on the ballot exactly as it appears on the Declaration of Candidacy. Nicknames of candidates are permitted on the ballot provided the candidate has declared his or her candidacy or has accepted the nomination under that name. Nicknames should not indicate or allude to an occupation or a title, but should be limited to derivatives of the candidate's name.

If a candidate changes his or her name within one year of any election, the new name shall not appear upon the ballot unless the change was made by marriage or decree of court of competent jurisdiction. Elections Code 13104.

If there are two candidates with the same or similar name who have filed for the same office, the candidates may, at the time of filing their nomination papers, or within five days after the time for filing nomination papers has expired, file with the County Elections Official a statement asking that a "number" of their choice be placed next to their name on the ballot as a distinguishing mark. If both candidates choose the same number, the first candidate to file the statement will receive their choice, the other candidate will have to select a new number. Elections Code 13118.

Candidate May Indicate a Ballot Designation

At the option of the candidate, a designation may appear under the candidate's name on the ballot. Designations are subject to the limitations of Elections Code 13107 and the California Code of Regulations 20710 et. seq. See section on Ballot Designations.

Candidate Must Indicate if He or She Will File a Candidate Statement

A candidate must indicate if he/she chooses to file a statement of qualifications, known as a Candidate Statement. Candidate Statements are printed and mailed to the voters in the sample ballot booklets and can be found in the voter information pamphlet section. See Candidate Statement portion of this Guide.

Random Alpha Sequence of Names on the Ballot

After the close of the extended nomination period, the Secretary of State will conduct the randomized alphabet drawing. This process is a random drawing of the letters of the alphabet, which will be used to determine the primary placement of candidate names on the ballot for all offices. Elections Code 13111 & 13112. This order remains the same throughout the district. Elections Code 13111.

For State Assembly or State Senate offices where the district includes more than one county, the County Elections Official in each county, instead of the Secretary of State, shall conduct a separate drawing of the letters of the alphabet called a county randomized alphabet which will apply to these offices only. Elections Code 13111(i).

Rotation of Candidates' Names On Ballot

- **STATEWIDE, U.S. REPRESENTATIVE CANDIDATES:** Candidates for statewide office shall rotate by Assembly Districts. Rotated names will appear in the random alpha order in the lowest numbered Assembly District in which the name appears; thereafter for each succeeding Assembly District, the name appearing first in the last preceding Assembly District shall be placed last, the order of the other names remaining unchanged. Elections Code 13111(c) & (d)
- **COUNTY-WIDE OFFICES THAT ONLY APPEAR IN TULARE COUNTY:** Candidates for county-wide offices (e.g. District Attorney, Sheriff-Coroner, etc.) shall rotate by County Supervisorial District. Rotated names will appear in the random alpha order in the lowest numbered Supervisorial District in which the office appears; therefore, for each succeeding Supervisorial District, the name appearing first in the last preceding Supervisorial District shall be placed last, the order of the other names remaining unchanged. Elections Code 13111(g).
- **ALL OTHER OFFICES DO NOT ROTATE:** The order of candidate's names for all other offices will not change. Elections Code 13111.

EXTENSION OF NOMINATION PERIOD

An extension of the Nomination Period applies if the incumbent does not file by 5:00 pm on the last day of the nomination period (88 days before the election). Incumbents cannot file during the extension, but any other qualified candidate may file.

The extension of the nomination period does not apply to the following:

- Vacant seats
- Seats in which the incumbent cannot file due to term limits
- Federal Offices such as U.S. Senate or U.S. Representative in Congress
- County Central Committees

NOMINATION PAPERS

STATEWIDE OFFICES - Nomination papers for a statewide office for which the candidate is to be nominated shall be signed by voters of the state equal to but not less in number than 1% of the entire number of registered voters of the state at the time of the close of registration prior to the preceding General Election.

NON-STATEWIDE OFFICES - Nomination papers for an office, other than statewide, shall be signed by at least 3% of the entire number of registered voters in the district at the time of the close of registration prior to the preceding General Election. Ask the Elections Official for the number of signatures needed.

OFFICES THAT WILL NOT APPEAR ON THE BALLOT

JUDICIAL OFFICES NOT ON BALLOT

In a PRIMARY Election, any judicial district in which only the incumbent has filed nomination papers for the office of superior court judge, the incumbent's name shall not appear on the ballot, unless a PETITION IS FILED INDICATING A WRITE-IN CAMPAIGN WILL BE CONDUCTED FOR THE OFFICE. The petition must be signed by 100 registered voters qualified to vote with respect to the office.

FOR A JUDICIAL OFFICE TO APPEAR ON THE BALLOT FOR THE **PRIMARY** - The petition must be filed with the County Elections Official within 10 days after the final date for filing nomination papers for the office.

FOR A JUDICIAL OFFICE TO APPEAR ON THE BALLOT FOR THE **GENERAL** - The petition must be filed not less than 83 days before the General Election, if the office has not appeared on the direct Primary Election ballot.
Elections Code 8203.

COUNTY CENTRAL COMMITTEE OFFICES NOT ON BALLOT

For Democratic, Republican & American Independent parties, if the number of county central committee candidates who have filed for each supervisorial district does not exceed the number to be elected, OR for Green, Libertarian, and Peace & Freedom parties, if the number of county central committee (county council) candidates who have filed does not exceed the number to be elected in the county, the County Elections Official shall not include that office or those candidates on the ballot.

If someone wants to run as a write-in candidate for one of the offices not on the ballot, a petition signed by 25 registered voters indicating that a write-in campaign will be conducted for the office must be filed with the County Elections Official not later than 68 days before the election. This petition will result in the office being printed on the ballot so the write-in candidate may run. In lieu of this petition, the board of supervisors shall declare elected the candidates who were nominated. Elections Code 7228, 7423, 7673, 7772.1.

COUNTY OFFICES NOT APPEARING ON THE BALLOT

Unlike most local offices, if only one candidate files for a county office, there are no provisions in the law which allow a county office to be left off the Primary Election ballot and the candidate to be appointed in lieu of an election. (County offices would include Board of Supervisors, Assessor, Auditor, Sheriff, etc.)

In a Primary Election, if a candidate for a county office receives a majority of the ballots cast for candidates in that office (50% + 1 vote), then they are considered elected and that office will NOT appear on the General Election ballot. If a candidate for county office does not receive more than half of the votes cast, the top two vote-getters from the Primary Election will go to a runoff election in the General Election. Elections Code 8140.

BALLOT DESIGNATIONS

(Occupational designation appearing under candidate's name on ballot)

The candidate may request a ballot designation appear under his/her name on the ballot, but are not required to and may leave the space for such designation blank. In order to notify the Elections Official of the candidate's intention if no occupation is desired on the ballot under his/her name, the word "none" must be written on the application in the appropriate space. SMART SCHOOL DISTRICT
Governing Board Member

NAME: Jane Doe AGE: 32
(Optional)

Occupation: Businesswoman
(Optional - Maybe more descriptive than what will appear on the ballot)

Education and Qualifications:
(Statement word count begins here)

I am running for the governing board of the Smart School District because I feel I can bring a balance to the board. I attended local schools, graduating from Smart High School in 1985. I am married and currently have two children attending school in the district.

I own and operate my own business, so I am well aware of the need to operate within a budget. With proper distribution of resources and educational materials I am convinced we can offer quality education to all students within the district.

I have been active in the P.T.A., served on the Save Our Youth committee, and am an active member of the All-Faith Church. I have served as Boy Scout Den Mother and Girl Scout Leader for the past 3 years. I also served as a volunteer at the Community Recycling Center as time allows.

I am looking forward to serving you on the Smart School District Governing Board.

Thank you for your vote.

J.D.

I declare that I prepared the above statement which is to be printed in a voter's pamphlet and mailed to each registered voter of my district. I further state that if the cost of printing is the responsibility of the candidate, I will pay for my prorated cost of the statement at such time as instructed by the elections official.

☒ If I have no competition or my contest will not appear on the ballot, I wish to withdraw my Candidate Statement within 24 hours and receive a full refund.

WITHDRAWAL OF CANDIDACY

The last day a candidate may withdraw his candidacy for a particular office is always the last day of the nomination period for that office (either the 88th day before the election or the last day of the extension, if applicable). Once the nomination period is over, requests for withdrawal of candidacy are not accepted and the candidate's name will appear on the ballot (or in cases where there are insufficient nominees, the candidate's name will be submitted for appointment in lieu of election).

To withdraw, a candidate must submit a written and signed request to withdraw his or her candidacy to the Elections Office by the deadline.

If a candidate decides that they want to run for a different office, they must submit a request to withdraw their candidacy and then complete the regular paperwork to file for the new office.

If nomination signatures were gathered for the first office and then the candidate withdraws, the signatures will not apply towards a different office. Nomination signatures are gathered for a specific office and cannot be transferred to a different office. The candidate may have the voter sign the nomination petition for the new office.

WRITE-IN CANDIDATES

Filing as a Write-In Candidate

Every person who declares to be a write-in candidate shall file:

- (1) A Declaration of Candidacy for Write-In Candidates provided by the Elections Official.
- (2) The required number of signatures on the Nomination Papers.

The Declaration of Candidacy for Write-In Candidates and nomination papers shall be available on the 57th day prior to the election and shall be filed with the Elections Official no later than 14 days before the election. Elections Code 8601.

Signers of nomination papers for write-in candidates shall be voters in the district or political subdivision in which the candidate is to be voted on. If the candidate is seeking a party nomination for an office, the signers shall also be affiliated with the party whose nomination is sought. Elections Code 8603.

No name written upon a ballot by the voter shall be counted for an office or nomination unless the candidate whose name has been written on the ballot has complied with the above requirements. Elections Code 15341.

There is no filing fee for a write-in candidate. Elections Code 8604.

Under the Top Two Candidates Open Primary Act only Write-In Candidates that are in the top two voter getters will move on to the General Election.

Tallying of Write-In Votes

Write-in votes will only be partially processed on election night. There will, however, be **no reporting of write-in vote results on election evening**. Because write-in votes must be hand tallied, the counting of write-in votes is handled as part of the official canvass.

Reporting Votes for Write-In Candidates on Election Night

Final results for “qualified” write-in candidates will not be reported on election night. Instead, the election night report will show a total count of votes cast for ALL write-in candidates (whether qualified or not). The votes for qualified write-in candidates are hand-tallied and reported in the Official After Canvass Report.

Other Items of Interest

The California Administrative Code, Title II, Division VII, Sections 20100-20105, specifies the requirements for the counting of write-in votes (e.g. misspelled or incomplete name, etc.). Rather than enumerating the requirements herein, a copy of the provisions will be provided, upon request, to qualified write-in candidates and other interested parties.

The name of a write-in candidate shall be written by hand upon a ballot. The use of pressure-sensitive stickers or methods other than handwriting to indicate the name of the write-in candidate is not valid, and a name indicated by any such method shall not be counted. Elections Code 15342.

In order to vote for a write-in candidate when voting on a Touchscreen unit, the voter presses the oval next to the write-in line, an image of a keyboard appears on the screen and the voter types in the name of the write-in candidate.

FINES & WAIVERS

STRICT POLICY FOR LATE FPPC DISCLOSURE STATEMENTS

(The Secretary of State instituted this policy in April 1995)

For 20 years, the Political Reform Act has required timely disclosure of the financing of political campaigns and state lobbying.

Unfortunately, over the years there has been a large number of campaign statements filed after legally-required deadlines. These late filings deny voters and the general public of important information that should be current and readily available.

Disclosure statements filed late are subject to fines. In the past, however, a substantial number of late fines have been waived.

Effective immediately, the Registrar of Voters will only consider waiver requests based upon specified “good cause” reasons for late filing. (A complete listing of “good cause” reasons and related documentation are listed on the next page).

Acceptable “good cause” reasons involve situations beyond a filer’s control, such as an incapacitating physical illness or a natural disaster. The new rules for fine waiver requests are very specific and limited.

Examples of reasons for waiver request that are **NOT** “good cause” reasons and not acceptable:

- not being aware of a law or its requirements
- not receiving notice of filing requirements
- not being available to sign forms
- not sending filing to the proper official
- not knowing where to get forms
- not having complete information filed by the filing deadline
- not picking up the mail
- secretarial error

In addition, it is important to note that the Political Reform Act does not provide any exemptions for late fines if a filer fails to comply with written notification from a filing officer. Specifically, the act mandates that late fines be imposed if after the filing officer has sent specific written notice of the filing requirement the campaign statements are not filed within 12 days before an election.

Finally, it is important to remember that the great majority of people who file campaign and lobbying statements comply with the law. Many individuals devote long and hard hours to ensure that disclosure statements are complete, accurate and filed on time. Consequently, it is a simple matter of fairness to implement a more rigorous policy for waiving fines imposed on those filers who are not diligent.

“GOOD CAUSE” REASONS FOR WAIVING LATE FILING FEES FOR FPPC CAMPAIGN DISCLOSURE STATEMENTS (FORMS 460, 497, ETC.)

The Registrar of Voters will consider a request to waive the payment of a late filing fee if the request is based on “good cause”.

Waiver Request

A request of waiver must be submitted on a Request for Waiver of Liability Form. The waiver request must be signed by the person(s) required to file the particular statement or report upon which the late filing fee was assessed. There are two categories of “good cause” for waiving late filing fees. These causes must relate to the person required to file the report or statement.

First Category of Good Cause

1. INCAPACITATION FOR MEDICAL REASONS

Adequate documentation consists of a doctor’s, psychologist’s, therapist’s or chiropractor’s statement giving the nature of the incapacitation, the date(s) thereof, and the individual’s name.

2. HOSPITALIZATION

Adequate documentation consists of a copy of the hospital bill or doctor’s statement showing the patient’s name and the date(s) of the hospitalization.

3. ACCIDENT INVOLVEMENT

If medical attention is provided and results in the late filing, a copy of the hospital bill, emergency room service, or doctor’s statement, showing the patient’s name and date(s) and time(s) of medical attention, is adequate documentation. If the accident involvement results in delay or vehicle disablement which caused the late filing, adequate documentation consists of a police report showing the individual’s name, the date and time of the accident, and if applicable, whether or not the vehicle was disabled.

4. DEATH

Adequate documentation consists of a copy of the death certificate or an obituary notice.

Second Category of Good Cause

The second category is defined as other unique, unintentional factors beyond the filer’s control not stemming from a negligent act or non-action. The factors are:

1. THE LOSS OR UNAVAILABILITY OF RECORDS

due to a fire, flood, theft or similar reason. Adequate documentation shall consist of a police, fire or insurance report, containing the date of the occurrence and the extent of the loss or damage.

2. OTHER UNIQUE REASONS

These include compelling reasons beyond the filer’s control.

IMPORTANT THINGS TO REMEMBER

1. BE INFORMED

Study FPPC Manual 2. Local candidates should ask their Election Official about any local campaign restrictions.

2. BEFORE RAISING OR SPENDING ANY MONEY

File Form 501 (Candidate Intention). Then open a campaign bank account. Once \$1,000 is raised or spent, get an identification number by filing Form 410.

3. MARK YOUR CALENDAR

Know the due dates for campaign statements and file on time.

4. KEEP GOOD RECORDS

Maintain details of contributions and expenditures of \$25 or more. Refer to record-keeping guidelines in Manual 2.

5. \$100 OR MORE IN CASH?

Never accept or spend \$100 or more in cash.

6. USING PERSONAL FUNDS FOR CAMPAIGN EXPENSES

All personal funds of the candidate must first be deposited in the campaign bank account, except for filing fee/ballot statement fee.

7. REPORT LATE CONTRIBUTIONS

If \$1,000 or more is received from one contributor during the last 16 days before the election, disclose receipt within 24 hours, even if the contribution is from your personal funds.

8. ITEMIZE CONTRIBUTORS

For contributions of \$100 or more, including loans and in-kind contributions, you must disclose the contributor's name, address, occupation and employer.

9. IF AN AGENT OR CAMPAIGN CONSULTANT BUYS GOODS OR SERVICES FOR THE CAMPAIGN

Itemize expenditures of \$500 or more made by the agent or consultant.

10. IDENTIFY CANDIDATE/COMMITTEE ON MAILINGS

Include your name and campaign address in at least 6-point type on the outside of all mass mailings (more than 200 pieces). Your committee's name may be used if it includes your name. If your name is not part of the committee's name, you may use just your name, or both your name and the name of the committee.

11. NO PERSONAL USE OF CAMPAIGN FUNDS

Use campaign funds only for political, legislative, or governmental purposes.

12. BE MORE INFORMED

Attend a campaign workshop in your area. Contact your filing officer or the FPPC if you have any questions.

(The above is not necessarily applicable to federal offices)

CANDIDATE FILING

1. **Is the Elections Office open during the lunch hour?** Yes. Office hours are 7:30 a.m. to 5:30 p.m. on Monday through Thursday. On Friday we are open 8:00 a.m. to noon except on the last day to file nomination papers (a Friday); we are open until 5:00 p.m.
2. **When is the candidate nomination extension period and can an incumbent file nomination documents during an extension period?** The candidate nomination extension period is the Monday, Tuesday and Wednesday following the end of the regular nomination period. An incumbent can't file during an extension period as it is only for any other candidate to pick up and file their nomination documents.
3. **How can I find out who else has filed for my contest?** This is public information. You can obtain this information by viewing the log at the Elections Office, calling or going to our website at www.tularecounty.ca.gov/registrarofvoters. The Candidate List on our website is updated every day between 4:30 p.m. and 5:30 p.m.
4. **What happens if I am the only candidate to file for an office?** In most cases if there are insufficient nominees for a contest (no competition), those candidates that filed will be appointed in lieu of election (they shall qualify, take office and serve as if elected) and the contest will not appear on the ballot. Note: This rule does not necessarily apply to judicial, county or city offices.
5. **What if I change my mind about being a candidate after filing nomination papers?** You may withdraw as a candidate at any time prior to the close of the nomination period. After that date you are not permitted to officially withdraw and your name will appear on the ballot. Elections Code 10510.
6. **I am really busy, is there a way to make the candidate filing process faster?** Yes. You can make an appointment before coming in to pick up your nomination documents so we can have your nomination papers already printed out and ready when you get here. Typically, for contests that don't require nomination signatures, the process in the Elections Office can be done in about 15 minutes.
7. **May I change or correct the wording or spelling on my candidate statement after it has been filed?** No, you may not make any changes to your candidate's statement once it has been filed. Check your candidate statement carefully before filing. No responsibility or liability is assumed by the Elections Official for errors in spelling, punctuation, grammar, etc. The statement is entirely the candidate's responsibility.
8. **If I file a voluntary candidate statement and I change my mind, may I withdraw the statement and receive a refund?** Yes, with certain conditions. The candidate statement may be withdrawn, but not changed, during the period for filing nomination papers and until 5:00 p.m. of the next working day after the close of the nomination period. If you withdraw your statement within this time frame, you will receive a refund. After this time frame, your statement cannot be withdrawn, nor a refund given. (Elections Code 13307(3)) Candidate statements are not printed if the contest does not go to the ballot. Additionally, when filing the statement, the candidate can indicate no statement is to be printed if no other candidate files for that contest.

ELECTION NIGHT

1. **How can I get election night results?** The Elections Office will be glad to add you or your campaign committee onto our election night e-mail list. The latest election result report is attached to the e-mail and sent out as results are updated throughout the evening. If you prefer, the same results are also updated on our website throughout the evening. Printed reports are also available at our front counter.
2. **Can I come to the Elections Office on election night to watch the process?** Yes. The election process is open to the public.
3. **What time do you release the first report on election night?** The Elections Office will release the first report at about 8:05 p.m. on election night. The first report usually includes all Vote by Mail and mail precinct ballots received up to the day before the election. The remaining Vote by Mail and mail precinct ballots received through 8:00 p.m. on election night are processed during the official canvass and those results are included in the official certified results after Election Day.
4. **When are you usually done counting on election night?** It is the goal of the Tulare County Elections Office to have our election night final report released before 11:00 p.m.
5. **If I have the most votes on election night, do I win?** The final results announced on election night are not the final certified results. On Election Day, there are sometimes thousands of Vote by Mail and provisional ballots turned in at the polls that require processing before being included in the final certified count. Law allows the Elections Office up to 20 and sometimes 28 calendar days to finish counting all the ballots and complete our canvass of the election. Our office attempts to provide periodic updates on our webpage of updated results as well as our progress towards certifying the election. The election results are not final until the official certified results are released.
6. **Will I be notified that I have won?** No, you will not be notified by the Elections Office. After the final official certified results are complete, Certificates of Election and Oaths of Office are sent to the district office, administrative office or county department, depending upon the contest. The district or department will usually take care of the swearing in ceremony, if any, and notification.

VOTE BY MAIL PROCESS

1. If a voter loses the Vote by Mail ballot that was sent to them, can they get another one?

YES. Call the Elections Office for a replacement ballot. Elections Code 3014.

The Elections Official maintains a record of each request, and provides a list of these requests to the polling place to ensure that each voter casts only one ballot. If you vote twice by Vote by Mail ballot, even if by mistake, neither ballot will be counted. Elections Code 18560.

2. Can I give my voted “Vote by Mail” Ballot to someone else to return for me?

If you are ill, or have a physical disability, you may designate a relative (spouse, child, parent, grandparent, grandchild, brother, sister or other person living in the same household) to return your voted ballot for you. Your relative may return it in person to the Elections Office or to a polling place in your county, or they may place it in the mail for return to the Elections Official. Contact your County Elections Official for more information. Elections Code 3017.

3. If I request a Vote by Mail ballot, can I change my mind and still vote at my regular polling place?

YES. You must bring your non-voted Vote by Mail ballot and give it to the polling place worker before voting a regular ballot. Elections Code 3015.

If you are unable to surrender your Vote by Mail ballot, you may still cast a “provisional” ballot at your polling place which will not be counted until the County Elections Official can determine that you have not also voted by Vote by Mail ballot. Elections Code 3016 and 14310.

4. How are Vote by Mail ballots counted?

In general, Vote by Mail ballots are counted the same as regular ballots cast at a polling place. Once it is determined that the signature on the Vote by Mail ballot return envelope matches the signature of the voter on his or her voter registration card, the ballot and the envelope are separated. The processing of Vote by Mail ballot return envelopes, and the counting of Vote by Mail ballots shall be open to the public, both prior to and after the election. Elections Code 15101 & 15104(a).

If the Vote by Mail ballot is challenged, and that challenge is upheld, the ballot remains in the envelope, is not counted, and the reason is indicated on the envelope. Elections Code 15105 & 15108.

The first results you are likely to hear reported on election night usually reflect votes cast by Vote by Mail ballot. These, however, are not complete totals and may reflect only those Vote by Mail ballots returned prior to Election Day. Those ballots received prior to Election Day can be “processed” (i.e. verify the signature, etc.) within the seven (7) business days prior to an election. Under no circumstance may a vote count be accessed or released until the polls close on Election Day. Elections Code 15101.

A substantial number of additional Vote by Mail ballots are returned on Elections Day either to the polling place or to the Elections Office. These ballots, because they require the extra handling of checking the voter’s signature, and ensuring the voter did not also vote at the polling place, are usually the last ballots counted, and are not likely to be reported in the vote totals until after the Election Day. Elections Code 3102.

CONFIDENTIAL VOTER DATA

The street address, telephone number, driver's license (or identification card) number, precinct number and certain other information about registered voters is confidential under California law, and the Elections Office is prohibited from publicly disclosing that information to any person except for specified purposes. We can release the information to: any candidate for federal, state, or local office; any committee for or against any initiative, referendum, recall or bond measure for which legal publication is made; any person for **election, scholarly, journalistic, or political purposes**; and any person for **governmental purposes**, as determined by the Secretary of State. (*California Elections Code Sections 2187, 2188, and 2194*)

WHAT IS NEEDED TO ORDER CONFIDENTIAL VOTER DATA?

Before the Elections Office may publicly disclose confidential voter information to a requester, the requester must complete and sign, under penalty of perjury, an Application for Voter Registration Information Form, and include the following: a copy of the requester's driver's license, state identification card or other identification approved by the Secretary of State; payment for the cost of the file/data (cash, check or money order), AND provision for shipping and/or delivery, either in payment for shipping costs (providing your FedEx account number is recommended) or instructions as to how to deliver data (for example, how to notify requester when data is available for pickup).

HOW LONG WILL IT TAKE TO GET THE DATA REQUESTED?

Requests received at the counter for voter and/or election data can usually be made available within about 30 minutes. Requests received through the mail are typically available for next day shipping. These time frames are not guaranteed. Speed of service depends upon staff availability. If your request is urgent, it is recommended you communicate the urgency to staff and follow up all requests with a phone call to (559) 624-7300.

PAYMENT

Payment can be made in the form of cash, check, or money order. We do not accept credit cards or debit cards. Payment must be received by the Elections Office BEFORE we will begin processing your request.

ORDERING VOTER OR ELECTION DATA THAT DOES NOT REQUIRE AN APPLICATION

As on the chart above showing what data is available, not all data requires an Application for Voter Registration Information Form. If the data requested does not require an Application, simply put your request in writing, being as specific as possible. Be sure to specify how you prefer the data to be delivered as well as a contact name and phone number in case of any questions.

RESTRICTIONS ON PURCHASING A PRECINCT INDEX

The County Elections Office has a listing of all registered voters by district at the cost of \$.50 per thousand registered voters (\$.50 minimum). The listing is sorted by precinct, then by residential address, and name. It also shows political party and telephone number, if provided by the voter. This list is designed for precinct walking or phone banks, but does not have mailing addresses so is not recommended for use in mailing political material. The Elections Code has limited the number of precinct indexes a candidate or his/her campaign may purchase to two (2) per registration reporting close.

Two (2) precinct indexes may be purchased in each of the time frames listed below:
* 113 and 60 calendar days before the election
* 59 and 15 calendar days before the election
* the last 15 days before the election

APPLICATION FOR VOTER REGISTRATION INFORMATION

Pursuant to Elections Code Sections 2187, 2188, and 2194, voter registration information is available to persons or groups for ELECTION, SCHOLARLY, JOURNALISTIC, POLITICAL or GOVERNMENTAL purposes as determined by the Secretary of State. All requests to view, purchase, or use voter registration information must be accompanied by a written application.
